PRESS RELEASE

Due to the ongoing lockdown and the Corona Virus (Covid-19) Pandemic, CISCE has received requests from Schools/ Parents for a change of the candidate/s Examination Centre/s. This is due to the fact that some candidate/s are currently not present in the school (State/City/District) from where they have been registered for the ICSE and ISC Year 2020 Examination and have requested to be permitted to take the remaining papers of the Examination from another State/City/District.

CISCE will allow the candidates to appear for their remaining examination papers from an examination centre located in a CISCE affiliated school in the State/City/District where they are currently located.

The requests for a change in the Examination Centre must be formally routed through the School from where the candidate has been registered for the Year 2020 Examination **latest by 7th June 2020**. Schools may upload such requests on the **CAREERS portal of CISCE** under the **“Examination System → Centre Transfer”**.

No payment will need to be made for such requests of change of Centre.

The candidate/s who are unable to take the remaining Paper/s of the Examination owing to having been adversely impacted by the Covid – 19, will be permitted to take the Examination at the time of the conduct of the Compartmental Examination.

Detailed guidelines for the conduct of the remaining papers of the Year 2020 Examination shall soon be sent to the Examination Centres by CISCE.
