COUNCIL/CIR/2020

August 26, 2020

To: All Heads of CISCE Affiliated Schools

**Subject: Submission of Project Work files for the ICSE & ISC 2021 Examinations & School Annual Examination for Class IX & XI.**

Dear Principal,

The Council is aware that many of the schools have already given the ICSE & ISC 2021 Project topics to their students for completion in their homes. However, the present Covid-19 pandemic situation coupled with selective lockdown in some States, together with schools still being closed, the submission of these Project works has become difficult and poses a challenge.

In view of the above, the Council suggests the following flexible measures:

1. That the Project work may be submitted in any convenient mode i.e. handwritten, typed, PDF, PowerPoint, etc.
2. Although some chapters have been removed in certain subjects due to the reduced syllabus, Project work done in these deleted chapters are to be accepted and marked.
3. Since typing is permitted, every care must be taken to ensure and check against 'plagiarism' of information. Teachers may use available anti-plagiarism apps to detect such malpractices.

In addition, kindly note the following:

**School Annual Examination** – The CISCE will not be setting Question Papers for the Annual School Examinations for Classes IX and XI in this Academic Year 2020 - 21 ONLY.

This is for your information and guidance in the matter.

With warm regards,

Yours sincerely,

  
Gerry Arathoon
