**Subject: Invitation for participation in the SilverZone International Online/Offline Olympiads 2021-22**

**Dear Sir/Madam,**

As we all know, Covid-19 pandemic has had a catastrophic effect on every part of our lives. Along with the other domains, education is the one that has been affected the most. The teachers, parents, and educational institutions from all over the world have worked very hard to come up with all possible innovative approaches to ensure that every child gets possibly the best education. Under the given scenario, we at SilverZone Foundation felt the responsibility to pull up all potential resources to do whatever is possible, so that we can contribute to the learning process of the children and thereby could cover the education-chasm, in every possible way!

We proudly announce that we have worked very hard to transform the entire Olympiad exam process and pattern to meet global requirements for online testing and to match the current situation. We are dedicated to ensure that children are not only limited to read, but also to test their learning knowledge on an individual basis and in contrast with other students in order to keep their competitive spirits alive.

**EXAMINATION PROCESS** – In India and other countries where the lockdown has been lifted and schools have reopened, the SilverZone Olympiad exams have been held during 2020-21. As a result of this case, school administrators will be able to choose between online, OMR-based exams and hybrid mode for 2021-22.

**SUBJECTS** – In the current academic year, the registration is open for Maths, Science, English, GK, Computer, Hindi, Social Studies and Reasoning subjects only.

**EXAMINATION DATES** – The Exams are scheduled for Nov/Dec'21. Please check Last page of this Brochure for the examination dates.

**REGISTRATION PROCESS** – Schools may use any of the following modes to enrol their students:

- ❖ **Traditional Mode:** The school can compile all the students' enrollments and send the information to the SilverZone Foundation through email at [info@silverzone.org](mailto:info@silverzone.org), or they can courier the information to the Foundation.
- ❖ **Online Mode:** Students may register for exams, buy books, and pay registration fee from their homes through a link provided by a school. Please share the following link with the parents and encourage them to participate. With the help of this link, the parents will be able to register for Olympiads, get the study materials, and make online payments directly. The process after the registration will be managed by the foundation.

**Online Link for your school:**
