To: All Heads of CISCE affiliated schools

Subject: CISCE initiative to restart live teaching sessions – 'CISCE VIRTUAL LEARNING SERIES', initially for the Examination Level Classes of IX to XII, through the CISCE YouTube channel.

Dear Principal,

The present situation of the Corona Virus (COVID 19) pandemic is unrelenting and seems to be getting worse in many parts of the Country. While a large number of schools have started and are doing excellent work in the field of online teaching, continuing with the scheduled syllabuses for all Classes, especially at Board level, there are an equally large number of schools which are not able to do so for various reasons.

The CISCE has therefore decided to take the initiative to restart its live teaching sessions, livestreaming the lessons through the platform of **YouTube**. This will provide the CISCE accessibility to a wider coverage, enabling it to reach out to all its schools, especially those located in semi-urban and rural areas. These lessons, titled '**CISCE VIRTUAL LEARNING SERIES**', will be conducted by experienced Subject Experts for all the major subjects at the ICSE & ISC Levels.

The Inaugural Session of the '**CISCE Virtual Learning Series**' will be launched on **Wednesday, 9th September 2020**. The details of the session are as follows:

Time: 10:00 am

Session: English Language (ICSE Level): Writing an Argumentative Essay

Please click on the link given below to enable you to watch the live streaming of the lesson being conducted by the Subject Expert.

There will be a time slot for an interactive Question-Answer session. While the lessons are being livestreamed, the students may pose questions to the Subject Experts on the chat window which will be addressed immediately after the lesson is completed.

During the live session, the CISCE will also share a link to a Google Form in which the students and teachers may give their feedback on the session, the telecast and the lesson conducted by the Subject Expert.

A detailed schedule of the proposed ICSE & ISC lessons planned for the days ahead will be shared with schools and also put up on the CISCE website after the inaugural session of the '**CISCE Virtual Learning Series**'.

You are requested to disseminate this information to all students and teachers so as to enable them to view and benefit from this CISCE initiative.

Looking forward to your support and encouragement in this endeavour.

With warm regards,

Yours sincerely,

Gerry Arathoon
